**RULES AND REGULATIONS**

- Park to Park has a hand made section designated for artists/crafts persons who exhibit works of their own original concept design and execution. Manufactured, imported or mass-produced items are not acceptable for this section. Works may incorporate some commercially produced parts, such as a necklace chain or a picture frame, but the work's design and execution must be primarily the product of the exhibiting artist's skill. Artists that wish to have their booth space in the hand made section may be asked to provide images of their process and finished product to be displayed.
- Artists who do not have their booth space in the hand made section will be placed in the commercial section. This section is reserved for artists that produce an art or craft but are not handmade by the present vendor.
- Artists who create the work must be present at the show. You must participate in the show all 4 days. No setting up late or tearing down early will be permitted unless arranged with the organizer. All booths must be set up and ready by 10:00 a.m. each day.
- Categories are limited. Once each category is full, an alternative list will be compiled and exhibitors wait listed will be offered spaces as they become available.
- Vendors are responsible for providing their own tables, tents, chairs, booth displays, etc. Each leg of the tent needs to be weighed with a minimum of 40 lbs due to potential for high winds.
- No stakes, thumbtacks or nails may be used for booth display.
- Wi-Fi will be available at the park. A special code will be issued starting the day of the show.
- Due to the possibility of bears or wild life in the area, leave no food in your tent overnight.
- All trash and recycling need to be put in provided dumpsters and not in park trash cans. All boxes need to be broken down before being put in dumpsters.
- Absolutely no overnight camping in park or parking lots. Please make arrangements at campgrounds early as they fill up that weekend.
- Absolutely no vehicles permitted in parks during show hours. Cars may be pulled into load and unload during setup and before or after show hours. A special area will be available for cargo and supply trailers. Please check with the special events coordinator.
- Pagosa Springs Chamber of Commerce reserves the right to ask a vendor to leave the premises, without a refund, should the vendor violate any rules or regulations or otherwise cause a disruption during the event. Should your vehicle be blocking others in vendor parking or along residential areas, you will be subject to towing.
- This is a family friendly event. Any displays or signage deemed inappropriate will need to be removed.
